Dear Mr. Musgrave:

This responds to your Freedom of Information Act (FOIA) request dated September 10, 2015, and received in this Office on October 13, 2015, in which you requested Privacy Impact Assessments and supporting documentation submitted as part of the Initial Privacy Assessment process on Automatic License Plate Recognition (ALPR), License Plate Reader (LPR), or similar technology. This response is made on behalf of the Office of the Deputy Attorney General (ODAG).

Please be advised that we conducted a records search of the ODAG. Additionally, we conducted records searches of the retired files of the ODAG staff. The retired files supplement the electronic database of the Departmental Executive Secretariat and list file folder titles, arranged according to subject, of former OAG staff. Relevant files, once identified, are then hand-searched by Office of Information Policy staff to determine if they contain responsive material. We did not locate any Privacy Impact Assessments submitted by Department components pertaining to ALPR.

For your information, Congress excluded three discrete categories of law enforcement and national security records from the requirements of the FOIA. *See* 5 U.S.C. § 552 (2012 & Supp. V 2017). This response is limited to those records that are subject to the requirements of the FOIA. This is a standard notification that is given to all our requesters and should not be taken as an indication that excluded records do, or do not, exist.

You may contact our FOIA Public Liaison, Douglas Hibbard, for any further assistance and to discuss any aspect of your request at: Office of Information Policy, United States Department of Justice, Suite 11050, 1425 New York Avenue, NW, Washington, DC 20530-0001; telephone at 202-514-3642; or facsimile at 202-514-1009.

Additionally, you may contact the Office of Government Information Services (OGIS) at the National Archives and Records Administration to inquire about the FOIA mediation services they offer. The contact information for OGIS is as follows: Office of Government Information Services, National Archives and Records Administration, Room 2510, 8601 Adelphi Road, College Park, Maryland 20740-6001; e-mail at [ogis@nara.gov](mailto:ogis@nara.gov); telephone at 202-741-5770; toll free at 1-877-684-6448; or facsimile at 202-741-5769.

If you are not satisfied with my response to this request, you may administratively appeal by writing to the Director, Office of Information Policy, United States Department of Justice, Suite 11050, 1425 New York Avenue, NW, Washington, DC 20530-0001, or you may submit an appeal through OIP's FOIAonline portal at <https://foiaonline.regulations.gov/foia/action/public/home>. Your appeal must be postmarked or electronically submitted within ninety days of the date of my response to your request. If you submit your appeal by mail, both the letter and the envelope should be clearly marked "Freedom of Information Act Appeal."

Sincerely,

A handwritten signature in black ink, appearing to read "Carmen L. Mallon", with a long horizontal flourish extending to the right.
